Dear Folks, Received your package yesterday.

Some of the information (the Mc Michael side can be found in the "History of Anderson County" As it cost $50.00, I gave both my children one and didn't get one for myself. There is one at the library a person can use there, but can't take out.

I went to see an aunt of John's and she let us look at the Stratton bible and copied it down. Sent it to Bill Mc Michael (Laurence's and Deloris's son) I believe he would have all the information you would need. But he doesn't have marriage dates and place.

We would be glad to have you stop by. But let us know when. We only go to church, Dr, grocery and yard saling, but are gone to Lexington and Frankfort to Drs a lot. We could go to the Sand Spring cemetery. John's mother and father are buried there. His Mc Michael grandparents are buried in Salt Rives Cemetery. Ill find out where his Stratton grandparents are buried.

If you would like me to, I could put a new Mailing label with Bills name and address (I don't have his tel no) and send it to him. I would like to keep the picture.

While I'm on pictures, Valeria had a nice picture of John's mother, put in a nice wooden oval frame. (She died at age 36, when John was 13 months old) We knew it was to go back to Valeria when John's Dad died. She took it back home from the funeral. When Louise stopped by here a few years ago she said Alma gave it to her As far as I know, its the only real photo of her,

I sent off a billfold size and had it enlarged a little but if the picture can be found I would gladly pay to have a 5x7 or 8x10 to frame and hang in my Hall of Fame.

I'll call Mary Ann tonight and get Bill's telephone no and call him and see if he still has all the information and would like the package.

My memory is not too good, I'm going to have to go to the cemetery to find out the date of my father's, mother's and sisters date of death. I know the year and month, but not the day of the month. A cousin wants it.

I'll try to think of the things I do know and get them down

I'm sending a copy of the pages I found while looking to see if I could find anything.

Please let me know if you would like me to send Bill your package.

Love
Aunt Nora
Friday night

I called Mary Ann and got Bill's tel no. but he doesn't seem to be at home.

I thought of something. John's cousin has an old photo of John's (and Valeria's) Stratton grandparents John's dad and mother and all the children down to Charles I can't remember if Charles is the baby in his mothers arms or not. All grandparents (Strattons) are in it to a certain age. It was made at a family reunion. The old Stratton home is still standing and John's cousin was telling us, the man who bought it was fixing it up, so one of his grandsons could live in it. I will talk to her tomorrow and also ask where they are buried. John's Cousin is 88 yrs. old and might know more. Another cousin is 93 yrs old. She has the bible I copied the Stratton information from, but she is very sick.

I would like to have a copy of the picture, even though John isn't in it. I don't think Lawrence is either. Divide as you like. There are copies of Dad at the station of The Stratton Family. If he has [illegible] had been born til then

Too many divorces

over

Mary Elizabeth McMichael married Carl P. Werkmann June 24, 1972 and had one daughter Susan Elizabeth born June 24, 1981, exactly 9 years after marriage. Susan is a senior in college

We will be married 64 yrs in Dec if we live that long. I don't know what is wrong with people. I grieved so much when my son divorced after 24 yrs marriage, I was acually sick. Our family has never been the same.

I was glad when John Leslie divorced He and Marla fought like cats + dogs.

I hated it when Daniel Andrew divorced, but he held off signing the divorce papers 2 year til Mona found a good job with health insurance. He could claim Rei on his health insurance as long as he didn't sign the divorce papers. Also gave Rei his 4 acres of high price land with a 3 yr old double wide on it. I worried til I went down and saw he happy the girls were. Danny gets them every weekend and they are so happy each place. Both girls were in their fathers wedding.

I am looking for some pictures. Will send you one of Bettys family and of John L, Jimmie, John, myself and oldest grandson in front of his log house as soon as I get some reprints. Also of the log house he bought to retire in (but has already moved in)

I want to get this in the mail

I finally got Bill. He said he had it all up to about 12 yrs ago and said he would be glad to fill out the blanks. I'm putting a new address label on the package + putting it in the mail.

Dear Folks, Received your package yesterday.

Some of the information (the McMichael side can be found in the "History of Anderson County" As it cost $50.00, I gave both my Children one and didn't get one for myself. There is one at the library a person can use there, but can't take out.

I went to see an aunt of John's and she let us look at the Stratton bible and copied it down. Sent it to Bill McMichael (Laurence's and Delores's son) I believe he would have all the information you would need. But he doesn't have marriage dates and place.

We would be glad to have you stop by. But let us know when. We only go to church, Dr, grocery and yard saling, but are gone to Lexington and Frankfort to Drs a lot. We could go to the Sand Spring Cemetery. John's mother and father are buried there. His McMichael grandparents are buried in Salt River Cemetery. I'll find out where his Stratton grandparents are buried.

If you would like me to, I could put a new mailing label with Bills name and address (I don't have his tel no) and send it to him. I would like to keep the picture.

While I'm on pictures, Valeria had a nice picture of John's mother, put in a nice wooden oval frame. (She died at age 36, when John was 13 months old) We knew it was to go back to Valeria when John's Dad died. She took it back home from the funeral. When Louise stopped by here a few years ago she said Alma gave it to her As far as I know, its the only real photo of her.

I sent off a billfold size and had it enlarged a little but if the picture can be found I would gladly pay to have a 5x7 or 8x10 to frame and hang in my Hall of Fame."

Ill call Mary Ann tonight and get Bill's tele phone no and call him and see if he still has all the information and would like the package.

My memory is not too good, Im going to have to go to the cemetery to find out the date of my father's, mother's and sisters date of death. I know the year and month, but not the day of the month. A cousin wants it.

Ill try to think of the things I do know and get them down

Im sending a copy of the pages I found while looking to see if I could find anything.

Please let me know if you would like me to send Bill your package.

Love
Aunt Nora

Friday night

I called Mary Ann and got Bill's tel no. but he doesnt seem to be at home.

I thought of something. John's cousin has an old photo of John's (and Valeria's) Stratton grandparents John's dad and mother and all the children down to Charles I can't remember if Charles is the baby in his mothers arms or not. All grandparents (Strattons) are in it to a certain age. It was made at a family reunion. The old Stratton home is still standing and John's cousin was telling us, the man who bought it was fixing it up, so one of his grandsons could live in it. I will talk to her tomorrow and also ask where they are buried. John's cousin is 88 yrs. old and might know more. Another cousin is 93 yrs old. She has the bible I copied the Stratton information from, but she is very sick.

I would like to have a copy of the picture, even though John isn't in it. I don't think Lawrence is either. I will go over there and look at the picture of The Stratton family. It has been a long time since I had been down to them

Too many divorces

over

Mary Elizabeth McMichael married Carl P. Herkemann June 24, 1972 and had one daughter Susan Elizabeth born June 24, 1981, epactly 9 years after marriage. Susan is a senior in College

We will be married 64 yrs in Dec if we live that long. I don't know what is wrong with people. I grieved so much when my son divorced after 24yrs marriage, I was acually sick. Our family has never been the same.

I was glad when John Leslie divorced He and Marla fought like Cats + dogs.

I hated it when Daniel Andrew divorced, but he held off signing the divorce papers 2 year til Mona found a good job with health insurance. He could claim Rei on his health insurance as long as he didn't sign the divorce papers. Also gave Rei his 4 acres of high price land with a 3yr old double wide on it. I worried til I went down and saw he happy the girls were. Danny gets them every weekend and they are so happy each place. Both girls were in their fathers wedding.

I am looking for some pictures. Will send you one of Bettys family and of John L, Jimmie, John, myself and oldest grandson in front of his log house as soon as I get some reprints. Also of the log house he bought to retire in (but has already moved in)

I want to get this in the mail

I finally got Bill. He said he had it all up to about 12yrs ago and said he would be glad to fill out the blanks. I'm putting a new address label on the package + putting it in the mail.
